Reason for entering into the Head S&P Agreement

The Head S&P Agreement serves as the master agreement for the BSI Disposal, under which the Company is liable to sell, and SLHG is liable to acquire, the BSI Sale Interest, the BIC Shareholder Loan and the CAI Shareholder Loan. As BIC and CAI, both being subsidiaries of the Company, are the respective owners of the BSI Sale Interest, the BIC Shareholder Loan and the CAI Shareholder Loan, it is necessary to bind BIC and CAI by signing of the New BSI Agreement. THE NEW BSI AGREEMENT

Date

28 March 2007

Parties

Vendors : BIC and CAI

Purchaser : Mr. Zhang

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, Mr. Zhang is a third party independent of the Group and its connected persons (as defined in the Listing Rules). To the best knowledge of the Directors, each of Mr. Zhang and his associates (as defined in the Listing Rules) does not hold any Share as at the Latest Practicable Date.

Assets to be disposed

The BSI Sale Interest, the BIC Shareholder Loan and the CAI Shareholder Loan.

Payment and Adjustment of Consideration

The Consideration, being HK\$206,000,000, is payable in the following manner:

- (1) approximately HK\$124,188,000, being approximately 60.29% of the Consideration, is payable in cash on the signing of the New BSI Agreement; and
- (2) approximately HK\$81,812,000, being the balance of the Consideration, is payable in cash within 5 business days after signing of the New BSI Agreement.

As at the Latest Practicable Date, the sum of approximately HK\$124,188,000, being 60.29% of the Consideration, is paid by way of transferring all the deposit monies paid under the BSI Agreement and the ICIM & CIC Agreement and the balance of approximately HK\$81,812,000 is also paid.

LETTER FROM THE BOARD

The Consideration is subject to adjustment downward when the difference between the amount of the consolidated net assets of BSI shown in the management accounts as at 31 January 2007 and shown in the audited accounts for the same period is more than 5%. Completion of such audited accounts should not be later than 31 July 2007. The formula for adjustment of the Consideration is:

$$A = C - (M \times 95\% - N)$$

Where: A = adjusted Consideration
C = the Consideration (that is, HK\$206,000,000)
M = the amount of the consolidated net assets of BSI shown in the management accounts as at 31 January 2007
N = the amount of the consolidated net assets of BSI shown in the audited accounts as at 31 January 2007

The Directors consider that such adjustment is in line with the market practice and is fair and reasonable and in the best interests of the Company and its Shareholders as a whole.

The Consideration is determined by reference to the adjusted UCNNAV of BSI of approximately HK\$197,094,000 as at 31 January 2007 which is calculated on the basis of the UCNNAV of BSI of approximately HK\$30,527,000 plus (i) the estimated market value of the BSI Leasehold Land of RMB300,000,000 (equivalent to approximately HK\$297,030,000), which is valued by the independent Valuer on 31 January 2007, less the book value of the BSI Leasehold Land of HK\$285,014,000, (ii) interest cost incurred for the development of the BSI Leasehold Land by the Group of approximately HK\$32,380,000, and (iii) finally adding the BIC Shareholder Loan and the CAI Shareholder Loan of approximately HK\$122,171,000. The Consideration represents a premium of approximately 4.52% of the said adjusted UCNNAV of BSI.

Although the Consideration is less than the previous consideration of HK\$219,000,000 payable under the BSI Agreement, however, the disposal gain will be roughly the same.

The Consideration are determined after arm's length negotiations and the Directors consider that the above basis for determining the Consideration is fair and reasonable and in the best interests of the Company and the Shareholders as a whole.

Completion

The New BSI Agreement provides that Completion will take place on the 5th business day after signing of the New BSI Agreement and after the balance of the Consideration is paid. Completion has taken place on 30 March 2007.

Other Provisions

Under the New BSI Agreement, there is no condition precedent which Completion is subject to.

LETTER FROM THE BOARD

If BIC or CAI disposes the BSI Sale Interest to any third party or do not proceed to Completion in accordance with the terms of the New BSI Agreement, the Company shall pay an amount equivalent to 10% of the Consideration (subject to adjustment) as default payment and return all parts of the Consideration received to Mr. Zhang. The New BSI Agreement does not contain provision for payment of penalty if Mr. Zhang does not proceed to Completion.

SHAREHOLDING STRUCTURE OF BSI

Prior to Completion, the shareholding structure of BSI was as follows:

As at the Latest Practicable Date, the shareholding structure of BSI is as follows:

INFORMATION ON BSI

BSI was incorporated in Hong Kong on 1 December 1989. It is an investment holding company which subsidiary is principally engaged in property investment and development in the PRC. As at Completion, the main asset of the group of BSI is the BSI Leasehold Land, being the parcel of land under resettlement of original inhabitants in progress of a site area of approximately 8,910 square meters and situated in Qiu 6/1, No. 81 Jiefang, Tilanqiao Jiedao, Dongdaming Road, Hongkou District, Shanghai, PRC.

LETTER FROM THE BOARD

The followings are audited consolidated financial information on BSI for the two years ended 31 March 2006 and unaudited consolidated financial information on BSI for the ten months ended 31 January 2007, which were prepared in accordance with HK GAAP:

	For the ten months ended 31 January 2007 <i>(unaudited)</i> <i>(HK\$)</i>	For the Year ended 31 March 2006 <i>(audited)</i> <i>(HK\$)</i>	For the Year ended 31 March 2005 <i>(audited)</i> <i>(HK\$)</i>
Net profit/(loss) before tax	(11,457,000)	(2,646,281)	(7,982,534)
Net profit/(loss) after tax	(11,457,000)	(2,646,281)	(7,982,534)
Net asset value	30,527,000	45,405,353	49,141,105

REASONS FOR THE TERMINATION AND THE BSI DISPOSAL

The Group is principally engaged in the investment in environmental and water treatment operation and city development and investment operation as well as strategic investment in Hong Kong and the PRC.

Due to the advance made by the Group to ICIM and CIC during the period from 1 September 2006 up to 16 February 2007 in the total sum of approximately HK\$86,000,000 to settle the operating costs incurred (including but not limited to construction costs and bank borrowings) in the continuous development progress of the CIC Leasehold Land, SLHG was requested by the Company to repay the Group with such sum for completion of the ICIM & CIC Agreement. As a consequence, SLHG expressed that it would not proceed to completion of both the BSI Agreement and the ICIM & CIC Agreement and requested for alternative resolutions including termination of either the BSI Agreement or the ICIM & CIC Agreement.

As set out in the Announcement, the Directors are concerned about the uncertainty for favourable return which the Company may obtain from its investment in property development in the PRC after the introduction of new macroeconomic control measures on property developers in the PRC. Therefore, the Directors consider that to reduce investment in property development in the PRC is appropriate. At present, the Group will continue its investment in the CIC Leasehold Land through CIC. However, if a favourable offer comes up, the Company may consider disposal of the CIC Leasehold Land. Further announcement in accordance with the Listing Rules will be made as and when appropriate.

The Directors consider that the proceeds from the BSI Disposal will allow the Group additional working capital for the Group, while to retain the CIC Leasehold Land will contribute additional operating profit to the Group and enhance the earning base and investment value of the Group. Therefore, the Directors believe the Termination and the BSI Disposal are appropriate. The Directors consider that the terms and conditions of Termination Agreement, the Head S&P Agreement and the New BSI Agreement are fair and reasonable, and the Termination and the BSI Disposal are in the best interest of the Company and its Shareholders as a whole.

LETTER FROM THE BOARD

FINANCIAL EFFECT OF THE BSI DISPOSAL

Upon Completion, BSI ceases to be a subsidiary of the Company.

On the basis of the Consideration and the UCNV of BSI as at 31 January 2007 plus interest cost for development of the BSI Leasehold Land paid by the Group, it is estimated that, upon Completion, the Group will record a net gain, less all related expenses, of approximately HK\$20,620,000, subject to audit adjustments (if any).

USE OF PROCEEDS

The Directors expect that approximately HK\$300,000 of the Consideration will be applied for payment of fees and expenses in connection with the BSI Disposal, such as legal fees and auditors fees. The remaining proceeds of the BSI Disposal will be approximately HK\$205,700,000 and will be used as general working capital of the Group.

Upon Completion, the assets of the Group decreased approximately HK\$79,352,000 and the liabilities of the Group decreased approximately HK\$99,972,000.

GENERAL

Since the relevant percentage ratios under Rule 14.07 of the Listing Rules are more than 5% but less than 25%, the BSI Disposal constitutes a discloseable transaction of the Company pursuant to Rule 14.06(2) of the Listing Rules.

ADDITIONAL INFORMATION

Your attention is drawn to the additional information set out in the Appendix.

Yours faithfully,
By Order of the Board of
Interchina Holdings Company Limited
