	For the three months	For the year ending 31 March 2012	For the year ending 31 March 2013	For the year ending 31 March 2014

The Directors consider that the terms of the Master Agreement (including the Annual Caps) and the transactions contemplated thereunder are made on an arm's length basis, in the benefits of the Group and on normal commercial terms which are no less favourable than terms available to or from Independent Third Parties. The Directors (excluding independent non-executive Directors) are of the view that the terms of the Master Agreement (including the Annual Caps) and the transactions contemplated thereunder are fair and reasonable and in the interests of the Group and the Shareholders as a whole.

Pursuant to the Master Agreement, the Company may engage the KCA Group to provide the Services commencing on the date of the Master Agreement up to 31 March 2014. However, each of the Company and the KCA Group reserves the right not to make or accept such appointment or engagement in respect of any transaction which it considers such appointment or engagement to be inappropriate.

## **THE ANNUAL CAPS**

### **Historical figures**

For each of the two years ended 31 March 2011 and the nine months ended 31 December 2011, the total amounts paid and/or payable by the Company to the KCA Group for the transactions were approximately:

	<b>For the year ended 31 March 2010</b> <i>HK\$'000</i>	<b>For the year ended 31 March 2011</b> <i>HK\$'000</i>	<b>For the nine months ended 31 December 2011</b> <i>HK\$'000</i>
Services (including securities placement, underwriting or sub-underwriting, brokerage and margin financing and financial advisory services)	400	22,624	13,381 (Note)

*Note:* Such amount includes the approximate HK\$8 million falling to be payable upon completion of the CN Placing.

### **Proposed annual caps for the payment to the KCA Group**

The proposed annual caps have been determined by reference to, among others, (a) the actual Service fees in the two years ended 31 March 2011 and nine months ended 31 December 2011 as set out above; (b) the estimated annual aggregate fees arising from the anticipated provision of Services provided by the KCA Group in relation to securities placement, underwriting or sub-underwriting, brokerage, margin financing and financial advisory services and other ancillary services in upcoming years; (c) the market capitalization of the Company; (d) the expected market capitalization growth and anticipated business expansion of the Company; and (e) a buffer for greater flexibility for possible changes in the level or types of Services and any unexpected adverse change in the market or corporate level.

The aggregate amounts paid and/or payable for the Services provided by the KCA Group for the two years ended 31 March 2011 and nine months ended 31 December 2011 were approximately HK\$0.4 million, HK\$22.6 million and HK\$13.4 million, respectively (details have been set out in the Company's announcement dated 24 July 2009, 28 April 2010, 16 September 2010, and 13 December 2011). In addition to the historical figures of approximately HK\$36 million in aggregate arising from the Services provided by the KCA Group, the Directors have also taken into account possible potential investment opportunities (if any), which may give rise to an increase in the requirement of fund raising activities and financial advisory services. Besides, to strengthen such expansion strategies given the existing uncertain market conditions, a buffer has been added for greater flexibility. Having considered, among others, the historical Service fees, possible business expansion and investment opportunities, market conditions and anticipated growth in the market capitalization of the Company, the Directors expect that the Services provided by the KCA

Group will increase in the next three years. Accordingly, the Directors propose that the annual caps for the aggregate payment to the KCA Group under the Master Agreement shall be HK\$28 million, HK\$30 million and HK\$30 million for the three months ending 31 March 2012 and two years ending 31 March 2014 respectively.

The Directors (excluding independent non-executive Directors) are of the view that such proposed annual caps which have been arrived after arm's length negotiation are fair and reasonable and are in the interests of the Company and the Shareholders as a whole.

## **REASONS FOR THE MASTER AGREEMENT**

The Directors consider it to be in the best interests of the Group and the Independent Shareholders to enter into the Master Agreement on the following grounds:

- (i) following the corporate strategy of investment and business expansion, the Directors expect that, in order to cope with the business development of the Group, there may be a rise in the number of corporate transactions and fund raising activities;
- (ii) the KCA Group has, in its ordinary and usual course of businesses, provided several securities offering services and financial advisory and documentation services to the Company on, among other things, fund raising activities and notifiable transactions in the past years, and has a good understanding of the Company's structure, business and financial position and performance of its shares, and as a result, retaining KCA Group to provide financial services including securities placement, underwriting and sub-underwriting and financial advisory will assume smooth fund-raising activities and delivery of services, if so required; and
- (iii) the Group can be benefited from the sales and distribution network of KCA Group to enlarge the Shareholders' base in the event of any placement of Shares.

## **RELATIONSHIP BETWEEN THE PARTIES TO THE MASTER AGREEMENT AND THE COMPANY**

Therefore, KCA Group is an associate of Mrs. Chu, a connected person (as defined in the Listing Rules) of the Company.
